CONCRETE

PANORAMA & SEMINAR™ 2014

INNOVATIVE

CONCRETE

MATERIALS AND

TECHNOLOGIES

**Two Day National Seminar,
Live Product Demonstration
and Exhibition on**

**February
25-26, 2014**

Venue : BMS College of Engineering, Bull Temple road,
Bangalore-560 019

Organized by :

Indian Concrete Institute -
Karnataka Bangalore Centre

In association with :

Dept of Civil Engineering,
BMS College of Engineering, Bangalore-19

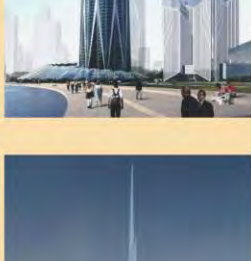

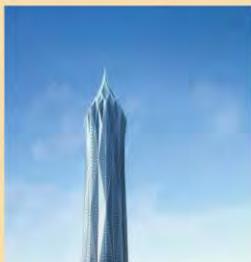

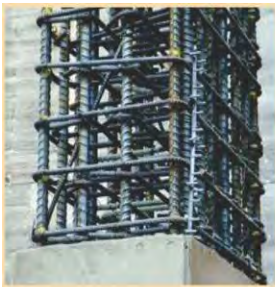

JOINTLESS FLOORING

POLISHED CONCRETE

KALPAKKAM

PRECAST INDIVIDUAL HOUSING

RHEOMETER-SCG

New advancements in concrete and cement-based products are completely changing the design and construction world. The development of new materials that have increased performance and functionality has become a major driver of innovation in recent years. New cement alternatives such as Celitement, Novacem which results in low energy consumption and reduction in CO₂ during production is being viewed seriously. Alternatives to river sand in the form of manufactured sand, slag sand, pond ash are becoming popular and getting acceptance from the industry. Innovative concretes such as Geo-polymer Concrete, Ultra High Strength Concrete, Fibre reinforced concrete, Light-weight concrete, Self-compacting concrete are being used in various applications. Translucent fabric concrete, concrecloth, pervious concrete, concrete made from C&D waste is drawing the attention of engineers. Innovations in formwork, capabilities to carry out highest, longest concrete pours have resulted in the construction of mega structures. These emergent materials and their associated technologies are changing the way that architects, consulting engineers and builders work to satisfy their customers for various challenging requirements.

Indian Concrete Institute, Bangalore Centre realising the need to disseminate knowledge on the subject of **"INNOVATIVE CONCRETE MATERIALS & TECHNOLOGIES"** is organising fifth edition of **"CONCRETE PANORAMA & DEMINAR™ 2014"** in association with Dept. of Civil Engineering, BMS college of engineering on **25th & 26th, February 2014**.

DEMINAR™ It is a unique feature of Concrete Panorama where in we offer an opportunity to showcase usage of their product in the field next to the seminar hall. This will be beamed live to the audience inside the seminar hall. For eg, last year, a demo of diamond polishing for concrete flooring was done and shown and a running commentary was given along with question and answers while the job was being done. Many product presenters use this opportunity to showcase special concretes formwork assembly, plastering equipment, pumping equipment, leveling equipment and other machinery, tools and equipment which is used in construction. This kind of deminar is the only one in India which has been so popular amongst engineers to learn new technology and new products.

It is the platform for all the new materials and technologies to get showcased. Civil engineers, manufacturers, RMC players, building material companies and other major decision makers come along to witness and take part in this forum. This is the fifth edition since 2009. Much like the earlier versions of the Deminar 2009, 2011, 2012 and 2013 **ICI-KBC** will be organizing the Live Demonstration of Products, construction technologies at the outdoor venue and the participants can witness the outdoor product / process demonstrations sitting in the comfort of the conference hall, without a need for moving out of their seats.

Participation

Participating industries and companies will make presentations of their new products/innovative methods and give live demonstration. The products / equipments in demo will be video shot and projected simultaneously in the conference hall and thus it enables the participants to see the live demonstration of products/equipment in the comforts of the conference hall. Audio visual clippings of the sponsoring organisation will also be displayed during breaks.

- Themes of the Deminar :**
- Innovation in Concrete Materials
 - Latest advances in Concrete
 - Promising trends in the admixtures
 - Latest technologies in machineries
 - Developments in concrete forms
 - Sustainable materials & construction methods
 - Growth in infrastructure needs and challenges in concrete

SPONSORSHIP FEE

Particular	Amount	Delegates	Stage Backdrop Display	Company Name Display	Presentation	Stalls	Product Demo
Chief Patron	400000	15	YES	YES	YES	3	YES
Patron	300000	10	YES	YES	YES	2	YES
Sponsors	200000	5	YES	YES	YES	1	YES
Co Sponsors	100000	3	YES	YES	YES	1	NO
Supporting Organisations	30000	2	YES	YES	NO	0	NO
Exhibitors	40000	2	NO	YES	NO	1	NO
Delegate Kit Sponsors	300000	3	NO	YES	NO	0	YES
Dinner Host	300000	3	NO	YES	YES*	1	YES

* Company hosting will be allowed to Invite 50nos of its business associates to the dinner

Prevailing Service tax (Presently) @ 12.36% extra.

PAN : AAAT10256J
ST Reg. No : AAAT10256JSD003

Please draw cheque / DD in favour of "Indian Concrete Institute - Karnataka Bangalore Centre"

Advertisements : will be included in the Proceedings and CD, which also include all presentations and demonstrations.

- Backside of the souvenir : **Rs. 20000/-**
- Front inside and Bank inside : **Rs. 15000/-**
- Full page : **Rs. 10000/-**
- Half page : **Rs. 3,000/-**

Prevailing Service tax (Presently) @ 12.36% extra.

Registration Fee inclusive of tax :

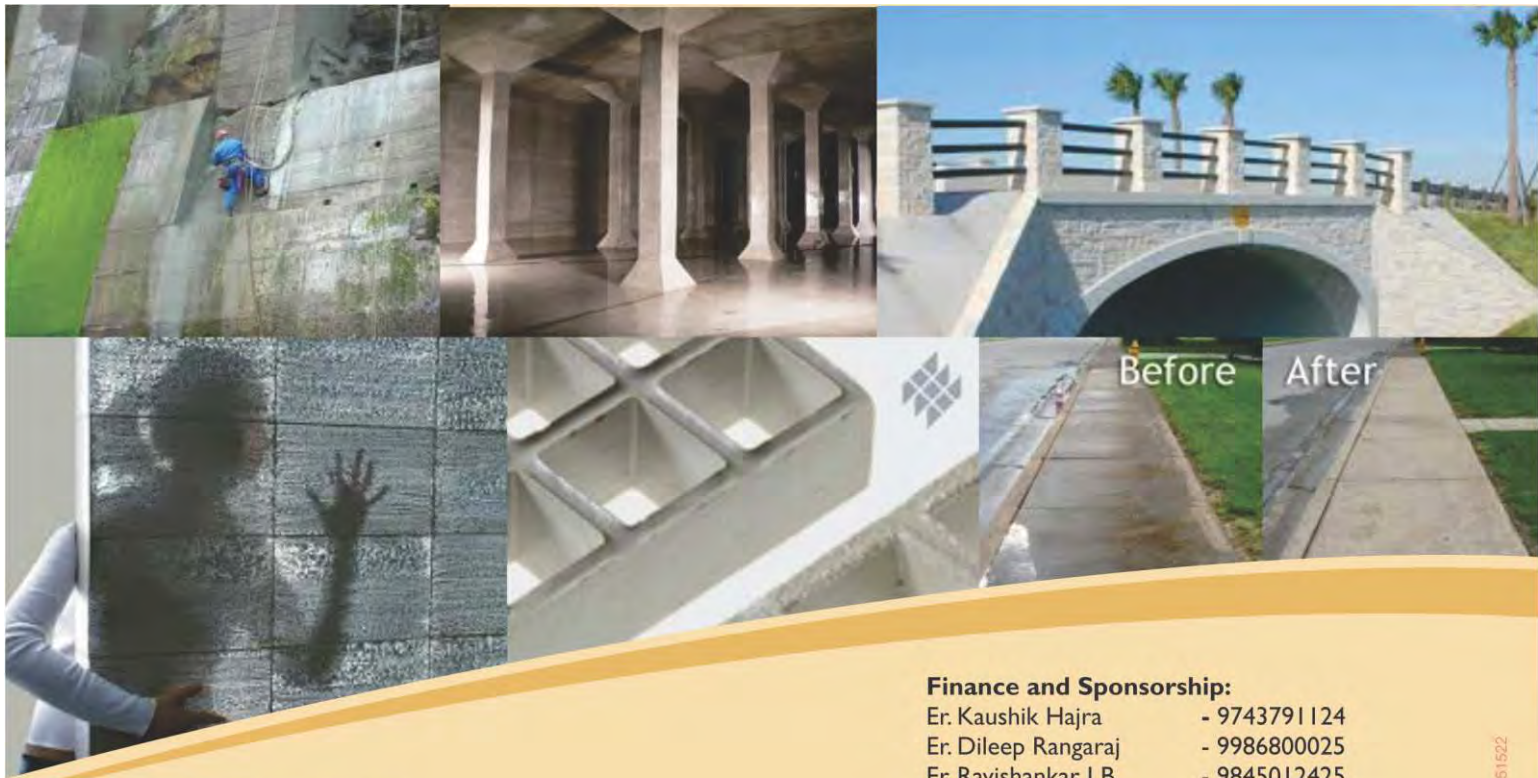

Delegates	Amt Rs	Above 10 Delegates
ICI members	3000	
Non ICI members	4000	10% Discount
Student	800	10% Discount

(Registration fee includes soft copy of the proceedings, tea/coffee and lunch for two days)

Advisory Committee :

- Dr. S. Saraswati** President-ICI
- Dr. K. Mallikarjuna Babu** Principal-BMSCE
- Er. R. Radhakrishnan** Secretary General ICI
- Dr. V. Ramachandra** Vice President south ICI
- Dr. C.S. Viswanatha** Past President ICI
- Dr. R. Jagadish** Past President ICI
- Dr. Manmohan R Kalgal** Past Vice President south ICI
- Mr. Raj Kumar Pillai** Past Vice President South ICI
- Er. M.N. Ramesh** Former, GC Member ICI
- Dr. Ranganath. R.V** Past Chairman, ICI-KBC
- Er. Nagendra Kumar N.N** Member ICI-KBC
- Dr. M.S. Sudarshan** Member ICI-KBC
- Er. M. Ravishankar** Member ICI-KBC
- Er. G.H. Basavaraj** Member ICI-KBC
- Dr. H. Sharada Bai** Member ICI-KBC

Organising Committee :

Dr. R.Nagendra,

Chairman, ICI-KBC

Cell No : 98809 26050

E-mail ID : r.nagendra@in.bureauveritas.com

Er. L.R.Manjunatha,

Vice Chairman, ICI-KBC
