15th Sept 2021

**Engineer's Day Celebration and Eminent Engineers Awards - 2021
by Indian Concrete Institute (ICI) Bengaluru**

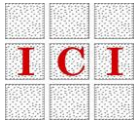

Indian Concrete Institute (ICI) is organizing 'Engineer's Day and ICI - JSW EMINENT ENGINEER AWARD 2021' on Wednesday, 15th September 2021 at 6.00 pm at, Century Club, Wadiyar hall, Bengaluru. This is one the ICI's yearly event to commemorate some of the eminent personalities of civil engineering fraternity for their outstanding contributions to the Industry.

ICI Karnataka, Bangalore Centre for the past 10 years, has been recognising and awarding outstanding and innovative Engineers who have innovatively used Concrete in their structures and also rendered significant contributions to the Research, Development or Application of concrete.

For the first time **15 eminent Engineers** will be awarded this year for their outstanding contributions towards building Indian Infrastructure Industry. The highlight of this event is a **technical presentation on "Implementation of Quality Process for Bangalore Metro"** by prominent engineer **Mr. Simon Niranjana Gilbert - Dy Chief Engineer (Quality), Bangalore Metro Rail Corporation Limited, Bengaluru.**

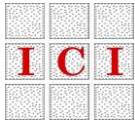

Speaking on the occasion **Dr. Manjunatha LR - Chairman, ICI - Bengaluru Centre** said "Over the years ICI has played a major role in recognizing and encouraging civil engineering professionals. Events like these will boost the morale of our fraternity, we have formed a technical committee which keeps tab on all innovative projects happening across India and the professionals involved in the projects. This is just an opportunity for us to tap their shoulder and encourage them to aspire more in their career".

Dr. R L Ramesh - Secretary, ICI Bengaluru Center feels that "
