Two Day National Seminar on

Research Avenues and Practical Applications in Concrete Technology

(Smart Techniques and Solutions for Realistic Problems in Constructions)

25th & 26th October 2019

Venue: BMSCE Auditorium, BMS College of Engineering, Bull Temple Road, Bengaluru – 560 019

CONCRETE – is the most consumed material in the World, next to water. Today, large scale Construction projects cannot be thought of without Concrete. The Olympic motto of “Higher, Faster, Stronger” seems to be exactly similarly to the performance demand of Concrete today. As buildings 'grow' taller and projects become bigger, the Construction Industry professional's goal is to provide best-in-class construction materials. Materials that meet the ever perpetual need of time-cost-quality-environment-safety and also have characteristics precisely addressing the changing dynamics of locational requirements are the need of the hour. Another fruitful avenue of research lies in the study of the materials which precisely meets all these aspirations and more. All Stake holders in any Construction project necessarily need to have proper understanding of this agile and versatile material as well as understand the immense intrinsic advantages that CONCRETE provides. To ensure that maximum benefit accrues by adopting Concrete, one also needs to have a proper understanding of Design, preparation and placing of this amazing material.

The Indian Concrete Institute – Bengaluru Centre (ICI-BENC) is a pioneer professional organisation, a not-for-profit entity, which is at the forefront of bringing application-oriented body of knowledge to update the know-how of Engineering Professionals and help build the skills in the Construction and Infrastructure Industry.

In line with this continuing endeavour, ICI-BENC is organising a 2-Day National Seminar entitled “Research Avenues and Practical Applications in Concrete Technology”– (Smart Techniques and Solutions for Realistic Problems in Constructions) on 25th & 26th October 2019, at BMSCE-Auditorium, Bengaluru. Get to know more about from experts and hands-on Professionals will speak on vital aspects. We look forward to meet you for a wonderful interaction of professionals, knowledge-updation and skill-enhancement.

Please register early to book your seats in advance, as registration is limited. Limited Sponsorship slots are also available. Please get in touch with ICI-Bengaluru Centre office. For more information and for registration (contact details mentioned overleaf).

We look forward to meet you at this Seminar for a wonderful interaction of professionals, knowledge-updation and skill-enhancement.
