

Construction Chemicals awareness and application training at AEIPL factory, Bangalore

Indian Concrete Institute (Karnataka – Bangalore Chapter) and ARDEX ENDURA (INDIA) PVT LTD jointly organized construction chemicals product awareness training with application at their training centre on 19th December 2014. The event was a grand success and attended by 25 construction industry professionals including ICI members, leading consultants, leading applicators, contractors etc.

AEIPL picked up all the attendees from ICI KBC office and dropped them back. The training program started with welcome speech by Mr. K P Paulson (VP Technical). Introduction of team members of ARDEX ENDURA Mr. N Venkatesh (Senior GM sales - PS and CRA), Mr. Kishore Hoysal S - AGM Sales (PS) , Mr. Raghu Nandan DGM CTS, Mr. Raj Navaz AGM (Region Head South), Mr. Giriprashanth – Manager Training, Mr. Muralidharan – Senior Manger specifications south and Mr. Sunil Jamakhandi – Manager Production.

The training gave in depth knowledge on ARDEX ENDURA Company, various latest technology waterproofing systems, Industrial Flooring systems and Repair/ Rehabilitation solutions.

Later half of the time spent on application of selected products and the attendees were very enthusiastic to learn. Many construction Industry professionals tried application of products on their own and felt very happy with the training facility ARDEX ENDURA COMPANY.

Ms. Sapna Devendra, Secretary ICI-KBC, Dr. R Nagendra, Chairman ICI-KBC, Mr. L R Manjunatha, Mr. N R Ashok, Mr. MN Ramesh , Mr. Muralidhara, Mr. Chandramani Prasad (KNK Group), Mr. Dalavai sagar (Design Tree), Mr. Krishna Kumar (Design Tree), Mr. S Sathish (Design Tree) and Mr. Rajesh Kannan (Inci Retrofit) are few of the professionals participated in this event.

We thank Mr. Kishore Hoysal (AEIPL) for his restless efforts in making this event happen and Ms Sapna Devendra – Secretary ICI KBC.
