

## REGISTRATION FORM

### One Day Workshop on "Perceptive Insight of Transportation System for Smart Cities"

5th April 2017

Name \_\_\_\_\_  
Designation : \_\_\_\_\_  
Department : \_\_\_\_\_  
Institution : \_\_\_\_\_  
Phone (off) : \_\_\_\_\_  
Mobile : \_\_\_\_\_  
Email ID : \_\_\_\_\_  
Address : \_\_\_\_\_  
\_\_\_\_\_ PIN: \_\_\_\_\_  
DD No.: \_\_\_\_\_ Dtd: \_\_\_\_\_  
Bank : \_\_\_\_\_  
Branch : \_\_\_\_\_

Sponsorship Certificate

Dr./Mr./Ms./Mrs./Prof. \_\_\_\_\_  
is an employee of our College  
University/organization & is sponsored/ permitted  
to attend the Workshop.

Signature of : \_\_\_\_\_  
the Delegate

Signature of HOD/ Principal  
With Seal

Chief Patron  
Sri. D K Mohan,  
Chairman  
Cambridge Group of Institutions.

Patron  
Dr. Suresh L,  
Principal  
Cambridge Institute of Technology.

Convener  
Prof. Ramesh R L,  
HOD  
Department of Civil engineering

Co-convener  
Mr.N Chiranthana,  
Associate Professor

Faculty Co-ordinator  
Ms.N S Chandanshree,  
Assistant Professor  
Mob No. 7022608805

Student Co-ordinators  
Mr. Harish B N  
Mob. No. 9066304047

Mr. Aman Sharma  
Mob. No. 9483832019

#### Organising Committee

Mrs.Deepa K, Asst. Professor  
Mrs.Rashmishree K N, Asst. Professor  
Mrs.Chandrika P, Asst. Professor  
Mr.Vishnu S, Asst. Professor  
Mr.Amith S Kumbar, Asst. Professor

## ONE DAY WORKSHOP ON "PERCEPTIVE INSIGHT OF TRANSPORTATION SYSTEM FOR SMART CITIES"

On 5th April 2017

Organized by  
Department of Civil Engineering  
CAMBRIDGE INSTITUTE OF TECHNOLOGY  
(Affiliated to VTU Belagavi | Approved by AICTE |  
Recognized by govt. of Karnataka  
ISO 9001:2008 Certified Institute | Accredited by NAAC)  
K.R puram, Bengaluru-560 036  
E-mail: hod.civil@citech.edu.in

In Association with ICI- KBC, Bengaluru

## About the College

Cambridge Institute of Technology (CiTech), was established in the year 2007 managed by Umesh Educational Trust located at Krishnaraja Puram, which is the main hub of Software industries in East Bangalore. The institution has a vision and mission for offering high quality technical and management education catering to the students from different states of India. The college is Permanently affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka. The institution is spread over a sprawling 12.5 acres of verdant campus and spacious buildings with well-equipped state-of-the art laboratories and cutting edge technologies.

## About the Department

The department of Civil Engineering at Cambridge Institute of technology aims at imparting quality education for students and brings out the best in them. The course is based on the syllabus prescribed by the Visvesvaraya Technological University, Belgavi. At present the department has an annual intake of 60 students. The department is supported by well experienced and qualified faculties with high quality teaching. In terms of infrastructure, The department is one of the best equipped and is at par with the leading institutes. The department is considered to be one of the top options for CET and COMED-K rank holders.

The Department has Professional body memberships of ISTE, ICI, & MOU's with Reputed Companies.

## VISION

To impart quality education for aspiring minds to meet the societal challenges in the field of Civil Engineering.

## MISSION

- M1. Supportive environment to enhance proficiency in practical and theoretical Civil Engineering concepts.
- M2. To synergize the effort of both students & faculty to meet modern infrastructure challenges.
- M3. Encourage students to pursue Higher education, Research, Entrepreneurship & Consultancy services incorporating ethical and moral values.

## Course Objectives

- Participants are taken through the technical concepts and techniques involved in Transportation Engineering.
- It provides the forum for all the students for upgrading their knowledge on recent advances in smart transportation systems & Developing Smart Cities.

## Registration fee

For Students - Rs. 200/- each  
Professionals - Rs. 300/- per delegate

- The fee includes proceedings of Workshop, tea & lunch during the workshop.
- Send duly filled-in application forms with DD in favor of "Principal, CiTech" payable at Bangalore and duly filled-in digital forms with DD No. can be mailed to hod.civil@citech.edu.in along with the physical copy to the Civil Engineering Department - Cambridge Institute of Technology, K R Puram, Bangalore.

## \*Spot Registration also available.

Registration with confirmation on first come first serve basis.

## Keynote Speakers

1. Prof. M N Sreehari  
Expert Member, Smart Cities Gol,  
CEO, Consortia of Infrastructure Engineers,  
Advisor to Govt. of Karnataka for traffic , Transport & Infrastructure.
2. Er. B G Raghavendra Prasad  
Executive Engineer, Road Infrastructure, BBMP  
Bengaluru.
3. Er. G Ananda  
Director, Apt Consulting Engineering Service  
(ACES), Bengaluru.
4. Er. Veerabiradar,  
Managing Director,  
Transheight Consultants Pvt. Ltd, Bengaluru.

## Main Theme

- 1.Sustainable Smart Cities for India - Need of the hour
- 2.White Topping.
- 3.Effective Transport Management System.
- 4.Pavement Design.

## Important Dates

Last date of registration - 31st March 2017  
Confirmation to participants - 1st April 2017

## Who Can Attend The Workshop

Faculties from Engineering Colleges, Academicians, Highway Engineers & Consultants, Research Scholars, PG / UG Students, Industry Persons.
