About the Institution

The history of BMS Institutions dates back to the year 1946. BMSIT& M was started in the year 2002 at Bengaluru. BMSIT&M, an institution with a class of its own, is one of the most sought after institutes for high quality engineering education in the state of Karnataka. It is a well- established private engineering college recognized by AICTE, GoI and is affiliated to the Visvesvaraya Technological University (VTU), Belagavi. With its modern infrastructure, highly qualified and committed faculty, and active industry engagement, the institute has been recognized as an "Emerging Technical Institute in the state of Karnataka" by the VTU. Rated 43rd among the Top Engineering Colleges in India by Outlook Magazine and CAREER 360 rated AAA+ at national level during the year 2016. NIRF under MHRD ranked BMSIT&M at 95th among top 100 engineering Institutes in India, 8th in Karnataka and 5th in Bengaluru. BMSIT&M has provided successful placements for all the batches of students passed out till date.

DEPARTMENT OF CIVIL ENGINEERING

Established in 2013 and being the youngest department at BMSIT&M, Department of Civil Engineering is defined by singular strengths, collaborative synergies, and commitment to excellence. The department offers programs at UG level with AICTE approved intake of 60 and with its multifaceted faculties imparts quality education and promotes academic researches and tend to excel to be as one of the pioneer at the frontier of knowledge and innovation in Civil Engineering. Our well- equipped and advanced laboratories facilitate the students and faculty to publish numerous technical papers at National and International level. The Department is one of the active members of ICI student Chapter at Karnataka Branch Centre. Department is actively involved in sponsored projects and consultancy.
