ABOUT THE SOCIETY

The KLE Society has established in 1916 by seven dedicated teachers known as 'Saptarshis'. The KLE has got voracious leader, great visionary Dr. Prabhakar Kore whose motivation and dedication has taken this society to the great heights. It's a great pride that the KLE Society has celebrated its century during this year. The century celebration was inaugurated on 5th February 2015 by Mr. Anil Kumble former captain of Indian Cricket Team. Running 265 institutions spread across Karnataka, Maharashtra, Goa, Delhi and Dubai, each narrating their own amazing stories of enriching people's lives; a harmony exists that is very palpable also. KLE alumni settled in different parts of the world are testimony to our achievements and they are the ambassador promoting the 'Brand KLE' throughout the world.

KLE has appointed qualified, dedicated, devoted teachers who are striving to make fascinating journey and experience for all. KLE has collaborated with universities US, UK and Malaysia have added whole new dimension to the Society. It is including 13,000 members of trust, 1.10,267 students and 16000 strong facilities, making KLE an international destination. KLE Society is known for education, provides well equipped infrastructure of international standards and everywhere Wi-Fi campus and e-learning facilities. The Society is instrumental in elevating the Standards of education and empowering the youth for better tomorrow. The Society is blended with ethics, education, discipline integrity and humanitarian spirit.

ABOUT THE INSTITUTE

The KLE society pride, the KLE college of Engineering and Technology (KLECET) Chikodi has established in the year 2008 with the sole objective of imparting quality technical education to the border region of Karnataka and Maharashtra states.

KLECET, Chikodi, is a symbol for the one of best technical institution in the northern part of Karnataka. The institution has state of art infrastructure and most modern facilities as well as highly qualified dedicated staff members. As a result, the institution is excelling in both academics and extra-curricular activities.

WHAT IS PRAXIS?

Praxis means Practices or showcasing skill and it is two days jam-packed and fully electrified event happening biannually in our campus. During this two days bunch of skill testing, Dynamic competitions with lots of learning and revitalizing fun events. It is a platform for young minds to compete with each other and realize their aspirations.

We are gratified with response and expecting the same in fifthcoming Praxis. We hope it will reach more than 2000 participants from various professional colleges.

OBJECTIVES OF PRAXIS 2K17

- To create a platform for students all over the country to compete among themselves and add values to their knowledge.
- To provide an opportunity for the students to come together with their new innovative ideas, represent their skills and talent.
- To expose participants to the modern techniques and recent trends in engineering.
- To work in a multi-disciplinary team and showcase multi-disciplinary talents.
