**About Indian Concrete Institute (ICI)**

Indian Concrete Institute, founded in 7th September, 1982, is the premier professional body for concrete technologists, with captains of industry, cement manufacturers, leading consultants, academicians, educational institutions and research scientists as active members. ICI has more than 12295 members attached to 38 centers spread all over the country. Of these, more than 315 are Organizational Members. All segments of cement and concrete industries are widely represented in the membership.

ICI encourages student participation and has 221 student chapters with over 8000 student members.

The major objectives are: spread of good construction practices amongst engineers and trade organisations, conduct conferences, workshops, seminars and training programs periodically.

ICI has international collaborations with Asian Concrete Federation, Singapore Concrete Institute, Concrete Institute of Australia, etc. ICI publishes a quarterly journal containing peer-reviewed technical papers, and gives awards for various achievements every year during its Annual Meetings / Concrete Day Celebrations

**About UltraTech Cement Limited**

UltraTech Cement Ltd. is the largest manufacturer of grey cement, Ready Mix Concrete (RMC) and white cement in India. It is also one of the leading cement producers globally. UltraTech as a brand embodies 'strength', 'reliability' and 'innovation'.

The company has an installed capacity of 109.6 Million Tonnes Per Annum (MTPA) of grey cement. UltraTech Cement has 18 integrated plants, 1 clinkerisation plant, 25 grinding units and 7 bulk terminals. Its operations span across India, UAE, Bahrain, Bangladesh and Sri Lanka. UltraTech Cement is also India's largest exporter of cement reaching out to meet the demand in countries around the Indian Ocean and the Middle East.

With 100+ Ready Mix Concrete (RMC) plants in 35 cities, UltraTech is the largest manufacturer of concrete in India. It also has a slew of speciality concretes that meet specific needs of discerning customers.

With its significant presence in grey and white cement, concrete, building products and building solutions, UltraTech is a one-stop shop for all primary construction needs. Its meteoric rise as the largest cement brand in India reflects the organisation's focus on cutting edge technology, research and technical services.
