About

Indian Concrete Institute (ICI)

Indian Concrete Institute, founded on 7th September 1982, is the premium professional body for concrete technologists, with captains of industry, cement manufacturers, leading consultants, academicians, educational institutions and research scientists as active members. ICI has more than 14,787 members attached to 47 centres spread all over the country. Of these 375+ are organisational members. All segments of cement and concrete industry are widely represented in the membership.

ICI encourages Student Participation and has 307 student chapters with over 4000 student members.

The major objectives are : Spread of good construction practices amongst engineers and trade organisations, conduct conferences, workshops, seminars and training programmes periodically.

ICI has international collaborations with Asian Concrete Federation, Singapore Concrete Institute, Concrete Institute of Australia, etc. ICI publishes a quarterly journal containing peer-reviewed technical papers and gives awards for various achievements every year during its annual meetings / Concrete day celebrations.

About

UltraTech Cement Limited

UltraTech Cement Ltd. is the largest manufacturer of grey cement, Ready mix concrete (RMC) and White cement in India. It is also one of the leading cement producers globally. UltraTech as a brand embodies 'strength', 'reliability', and 'innovation'.

It has a consolidated capacity* of 154.86 Million Tonnes Per Annum (MTPA) of grey cement. UltraTech Cement has 24 integrated plants, 1 clinkerisation plant, 33 grinding units and 8 bulk terminals. Its operations span across India, UAE, Bahrain and Sri Lanka. UltraTech Cement is also India's largest exporter of cement reaching out to meet the demand in countries around the Indian ocean and the Middle East.

With 316 ready mix concrete (RMC) plants in 139 cities, UltraTech is the largest manufacturer of concrete in India. It also has a slew of speciality concretes that meet specific needs of discerning customers.

With its significant presence in grey and white cement, concrete, building products and building solutions, UltraTech is a one-stop shop for all primary construction needs. Its meteoric rise as the largest cement brand in India reflects the organisation's focus on cutting edge technology, research and technical services.
