

INDIAN CONCRETE INSTITUTE
BANGALORE CENTRE

8th
EDITION

Two Day International
Seminar Cum Deminar

**LIVE PRODUCT DEMONSTRATION
AND EXHIBITION ON**

**MYRIAD MANIFESTATIONS
OF CONCRETE**

Date : 1st & 2nd March 2017
**Venue : NIMHANS Convention Centre,
Bengaluru.**

QUALITY
is the best
BUSINESS PLAN.

THE Masterbuilder™
Nobody Covers Civil Engineering Better

No.2, UVCE Alumni Association Building, Dr. B R Ambedkar Veedhi, K.R. Circle, Bangalore - 560001.
Ph: 080-22224803 | Email: icikbc@gmail.com | Web: www.icikbc.org | Contact: Mr. Pasha - 89516 07887

WHO SHOULD PARTICIPATE?

Professionals from the Civil Engineering Field, RMC industry, Cement, Construction Chemicals and other Manufacturing Industries, Civil Engineers, Research Scholars, Faculty and Students of Engineering Colleges, Engineers from Government / Semi-Government and Public/Private sector.

Companies and their subsidiary service providers can make use of this opportunity to show case their products. This kind of Deminar is the only one in India which is very popular among engineers and practitioners to learn through practical demonstration, exhibitions and seminar about new products and technologies.

Eminent personalities in the field of **Concrete Technology** with a special focus on **Manifestations**, will be invited to deliver lectures during the seminar. This 2 days event will witness extensive participation from Construction Companies, Material and Equipment Manufacturers, Architects and Structural Consultants, Decision Makers from Government and Private Sectors such as Bangalore Development Authority, Bangalore Metro Rail Corporation Ltd., Bruhat Bangalore Mahanagara Palike, CPWD, PWD, BWSSB, KUIDFC, Academic and Research Experts across India and abroad.

MYRIAD MANIFESTATIONS OF CONCRETE

Concrete is ubiquitous in our built environment - be it in buildings, roads, bridges, railways or dams. It is unquestionably the most versatile construction material which is also sustainable in comparison to the presently available options. It is also a constantly evolving material showing greater potentials which were hitherto unexploited. Global growth in concrete consumption is majorly due to the rapid industrialization of developing countries such as China and India. In the developed world, demand is driven more by the need to replace, repair and retrofit existing structures/ infrastructure.

Concrete is manifesting not only its traditional properties like ease of manufacture, mouldability, compressive strength and thermal comfort, but also the newer properties like environmental friendliness, fracture toughness, ductility, self-leveling, self-curing, self-healing, aesthetics etc. Special concretes are defined as concretes that have been specially designed to achieve one or more properties, behavior, composition or performance to be different, usually superior, compared to conventional concrete. It is up to us to use the capabilities of different special concretes as appropriate to get the best of the benefits and build the best of infrastructure and housing.

The Deminars (combination of demonstration and seminar) organized by ICI provide a unique platform for learning. This time the subject of **"Myriad Manifestations of Concretes"** has been chosen to provide an opportunity for the companies who are capable of enabling the production of Special Concretes to demonstrate the feasibility, the materials, procedure and care involved. This will give not only awareness but also confidence to the participants to use these special variants to their advantage.

- ▶ High Performance Concrete
- ▶ Self-compacting Concrete
- ▶ Fiber Reinforced Concrete
- ▶ Foam Concrete
- ▶ Controlled Low Strength Concrete
- ▶ Pervious Concrete
- ▶ Coloured and Decorative Concretes
- ▶ Equipment for Production of Special Concretes

- ▶ Admixtures for Production of Special Concretes
- ▶ Quality Practices
- ▶ Testing of Concrete
- ▶ New Concrete Making Materials
- ▶ Quality of Materials like M-Sand, etc.
- ▶ Formwork for Concrete Construction
- ▶ Detailing of Reinforcement - Readymade Steel, etc.

QUALITY is not an act, it is a HABIT.

Delegate Fee

ICI Members	₹ 2500
Non Members	₹ 3000
ICI Student Members	₹ 1000
Student Non Members	₹ 1500

Inclusive of Service Tax 15 %

Participation Fee: Includes Delegate Kit, Conference Proceedings (CD), Souvenir, Lunch, Coffee / Tea, Banquet and Certificate of Participation.

Student Registration Fee: Includes Student delegate kit, Conference Proceedings (CD), Souvenir, Lunch / Coffee / Tea and Certificate of Participation.

ICI Student Chapter Activities :

To inculcate various technical skills among budding civil engineers, the following competitions are organised

- Poster Presentations
- Movie Making
- Model Display
- Any Demonstration

Certificates and Attractive Prizes

Sponsorship Fee

PART I						
(Payments are Inclusive of Ser. Tax 15 %)						
	Chief Patron	Patron	Associate Patron	Sponsors	Dinner Host*	Delegate Kit sponsor
Amount (₹)	5,00,000	3,00,000	2,00,000	1,00,000	3,00,000	3,00,000

ABOUT ICI (BC)

ICI was born on 7th September 1982 with Head Quarter at Chennai

1. ICI - Members List (ALL INDIA) - 11800 | 2. ICI - Centres List (ALL INDIA) - 38
3. ICI - Student Chapters List (ALL INDIA) - 152 | 4. ICI - Student Members List (ALL INDIA) - 10500

ICI - Bangalore Centre, Karnataka was started in the year 1984

1. ICI - Members List (KARNATAKA): - 895 (Bangalore - 731, Mangalore - 54, Hubli-Dharwad-110)
2. ICI - Centres List (KARNATAKA): - 03 | 3. ICI - Student Chapters List (KARNATAKA): - 31
4. ICI - Student Members List (KARNATAKA): - 2500

ICI - Bangalore Centre, is successfully being run by an able adoptive and progressive managing committee since then. It is one of the active centres which conduct several programs every year. The membership is growing progressively day by day.

OBJECTIVES

- Promote growth of concrete construction and its sub-specialization
- To disseminate information and train personnel by organizing seminars / conferences / workshops
- Training programs for Fellow Members / Students and Corporate
- Collaborate with National / International Agencies
- Identify R & D problems of practical relevance
- Arrange National and International Workshops, Conferences • Seminars, Deminars & Exhibitions, Arrange Annual Lecture series on selected topics of relevance to Concrete Constructions
- To identify and recognize outstanding construction and outstanding performers in the field of Concrete Technology / Construction.

ICI - Bangalore Centre, Karnataka has 31 Student chapters

1. Christ University Faculty of Engineering (CU-FE), Bengaluru
2. J.S.S. Academy of Technical Education (JSS-ATE), Bengaluru
3. R.V College of Engineering (RVCE), Bengaluru
4. Siddaganga Institute of Technology (SIT), Tumkur
5. UVCE Bangalore University (UVCE-BU), Bengaluru
6. BMS College of Engineering (BMSCE), Bengaluru
7. Global Academy of Technology (GAT), Bengaluru
8. J.N.N College of Engineering (JNNCE), Shimoga
9. M.V.J College of Engineering (MVJCE), Bengaluru
10. Vivekananda College of Engineering and Technology (VCE&T), Puttur
11. SJB Institute of Technology (SJBIT), Bengaluru
12. PES Institute of Technology (PESIT), Bengaluru
13. Sri Jagadguru Chandrashekaramatha Institute of Technology (SJCIT), Chickballapur
14. BMS Institute of Technology and Management (BMSIT & M), Bengaluru
15. Sir. M. Visvesvaraya Institute of Technology (Sir. MVIT), Bengaluru
16. Sir Jaychamarajendra College of Engineering (SJCE) CT&M, Mysuru
17. Bangalore Institute of Technology (BIT), Bengaluru
18. East West Institute of Technology (EWIT), Bengaluru
19. Malnad College of Engineering (MCE), Hassan
20. Rao Bahadur Y. Mahabaleswarappa Engineering College (RYMEC), Bellary
21. Jain University School of Engineering & Technology (JU-SET), Bengaluru
22. New Horizon College of Engineering (NHCE), Bengaluru
23. Sri Venkateswara College of Engineering (SVCE), Bengaluru
24. East Point College of Engineering & Technology (EPCET), Bengaluru
25. ACS College of Engineering (ACSCE), Bengaluru
26. M.S. Ramaiah Institute of Technology (MSRIT), Bengaluru
27. Dayananda Sagar College of Engineering (DSCE), Bengaluru
28. Nitte Meenakshi Institute of Technology (NMIT), Bengaluru
29. Rasta Centre for Road Technology (RCRT), Bengaluru
30. AMC Engineering College (AMCEC), Bengaluru
31. Cambridge Institute of Technology (CIT), Bengaluru
