

# ICI UPDATE

An Electronic-Bulletin from  
the Indian Concrete Institute

## From the President's Desk

**Dear Members of ICI,**

September is the busiest month for ICI Centres. All are gearing up to celebrate the Concrete Day and Awards function. This year Head Quarters' AGM and Awards Function is combined with ACECON 2015 and ACF Symposium and will be held on 10<sup>th</sup> of October 2015 at Kolkata. Eminent Jury members are striving hard to identify the winners of the most coveted Awards. I request you all to participate in these events.

I am glad to inform you the Inauguration of our 31<sup>st</sup> Centre at Guwahati on 21<sup>st</sup> of this month. Two more Centres, one at Calicut and another one at Raipur are likely to be opened shortly. Thus our growth continues to be unabated.

As you are aware, we launched the membership mobilization drive about eight months ago by setting a target of 250 member from each zone. South Zone has exceeded its target. We have succeeded to mobilize about 645 members, and thus running short of 355 members to reach our target. We have extended the cut off date for Membership fee hike, till ACECON, to facilitate more engineers to enroll as members and also to enjoy the concession to participate in ACECON 2015. I request all Centres to strive hard for meeting this target.

The recently launched Job Portal and E-Learning Portal have evoked good response from members. I look forward to see these new initiatives are beneficial to all members.

The count down has begun for ACF Symposium and ACECON 2015. We have hardly a few weeks left with. A galaxy of star speakers, from several countries, are participating in the conference. I request all members to mobilize delegates in good numbers, for these two mega events.

ACECON 2015 keeps me busy all the time and I will write to you in more detail on other developments in the forthcoming issue of the ICI Journal.

Wish you all eventful months ahead.

**Prof. S. Saraswati**  
President

Hand Book on 'Advanced Concrete Technology' authored by more than 25 Eminent Experts is available at 20% discounted price of Rs.850/- for ICI members only. Postage extra. Please contact Ph : 044-24912602 ; email : [ici4@airtelmail.in](mailto:ici4@airtelmail.in).

**ICI - BENGALURU CENTRE**

**1. Customized Training Programme:**

ICI-Bengaluru Centre and Mahaveer Group M/s. Reddy Structures Pvt. Ltd., jointly organized In-House One-day Training Programme for the Mahaveer Ranches Project Engineers at their training centre on 16<sup>th</sup> May 2015. The event was a grand success and attended by 25 Professional Engineers including ICI Members. The training programme started with welcome speech by Dr. R. Jagadish, Former President, ICI.

The training gave in-depth knowledge on various topics like different types of cements, precautions for storing of cements, supplementary cementitious materials, concrete mix-design, formworks & importance of curing, ready mix concrete, precautions &

handling RMC at site, acceptance criteria for strength of concrete, RMC field problems and importance of RMC plant certification. Dr. R. Jagadish had a technical discussion with engineers on the above topics during training session. It was an innovative talk, covering the broad area of concrete technology from basic to the present advancement in the field. He highlighted the importance of cement and concrete as a construction material and its versatility. It was very informative and educative talk for the young engineers.

The programme ended with vote of thanks by Ms. Sapna Devendra, Secretary, ICI-KBC.

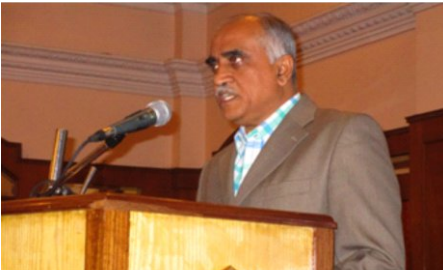

**2. Product Awareness Program:**

ICI-Bengaluru Centre in association with M/s. Besto Mining India Pvt. Ltd., Bengaluru, had organized “Product Awareness Programme” on Thursday, 18<sup>th</sup> June 2015 at The Capitol Hotel, Bengaluru. The event was

a grand success and was attended by 150 Construction Industry Professionals including ICI Members, Structural Consultants, RMC Manufacturers, Builders & Developers, Contractors & Civil Engineers.

The event was anchored by Mr. Kaushik Hajra, Member, ICI-Bengaluru Centre.

Dr. R Nagendra, Chairman, ICI-Bengaluru Centre, briefed about the ICI Bengaluru Centre programmes.

Dr. M.U. Aswath, ICI member & Prof & HOD, BIT, Bengaluru, spoke on the “Alternatives to River Sand”.

Mr. S. R. Madhusudhan, Technical Consultant, M/s. Besto Mining India Pvt. Ltd., Bengaluru delivered a lecture titled “Manufactured Sand How? What? Why?”.

Ms. Sapna Devendra, secretary ICI-KBC, thanked all the participants.

## ICI - AHMEDABAD CENTRE

### Technical Lecture:

Center of Excellence in Construction (CEC) was formed jointly by UltraTech Cement Ltd., and ICI Ahmedabad Centre, for knowledge sharing in the field of construction. Under this CEC banner, Technical Lecture Series for Construction Professionals was launched in Ahmedabad.

The 1<sup>st</sup> technical lecture titled “Concretes - Today & Tomorrow” was delivered on 5<sup>th</sup> June

2015 at Ahmedabad Management Association by Dr. M.R. Kalgal, National Head-Tech. Services, UltraTech Cement Ltd., Mumbai. More than 250 leading construction professionals from Ahmedabad attended this event. The lecture was enthusiastically received by participants and was followed by question and answer session.

Mr. Raju Anklesaria and Dr. Urmil Dave welcoming Dr. M.R. Kalgal

Opening remarks by Mr. V.K. Pandya, Tech. Services, Head, Gujarat, UltraTech Cement Ltd.

About ICI & Vote of Thanks by Dr. Urmil Dave, Secretary, ICI Ahmedabad Centre

## ICI - PUDUCHERRY CENTRE

ICI-Puducherry Centre conducted One-Day National Seminar on “Emerging Fast Track Techniques in Buildings and Infrastructure Projects” on Sunday the 28<sup>th</sup> June 2015 at Puducherry. In the inaugural session, the Chairman, Er. S. Suresh of ICI-PUDC welcomed the Dignitaries and Delegates. There were lot of participations from various sectors viz; PWD, and other Govt. Departments, Students Chapters, Educational Institutions, Delegates from various Districts of Tamil Nadu viz; Cuddalore, Tanjore, Villupuram, Trichy, Madurai, Coimbatore, Chennai and other parts of the Country. There were about 450 Delegates for the event, of which 210 nos of

students from engineering colleges. The Govt. of Puducherry also issued G.O. and sanctioned Rs. 75,000/- towards participation of 50 nos of engineers from PWD Department.

Prof. S. Saraswati, President, ICI presided over the function and released the Souvenir cum Proceeding of the Seminar. Er. P. Swaminathan, Chief Engineer, PWD, Puducherry was the Chief Guest for the event and inaugurated and appreciated ICI-PUDC for the initiative taken in conducting such type of seminars. Dr. V. Ramachandra, Vice-President (S), ICI was the Guest of Honour and appreciated the Chairman and ICI-PUDC team for the initiative taken for collecting the

details of all the members and releasing of the same in the souvenir. Secretary General, Er. R. Radhakrishnan, appreciated the involvement of the team headed by the Chairman, Er. S. Suresh in extending their role along the coastal belt and other cities and suburban areas of Tamilnadu focusing the activities of ICI and making professionals getting into the fold of ICI thereby, increasing the membership growth.

The Immediate Past President, ICI, Er. Jose Kurian, delivered a lecture on the topic "Innovations in Production and Use of aggregates for Concrete Construction". The inaugural function came to an end with vote of thanks by Er. S. Narayanapillay, Secretary, ICI-PUDC.

#### **Papers presented in the Seminar were,**

1. Lean Construction Management - the Efficient Paradigm for Infrastructure Projects by Prof. N. Raghavan, Adjunct Professor, IITM, Chennai
2. RMD Technology for Mass Housing - A Game Changer (Rapid Monolithic-Disaster Proof Technology) by Er. G. Sreenivasa, Asst. Vice-President, Business Development, UltraTech Cement Ltd., Bengaluru
3. Innovative Techniques for Fast Track Construction of elevated Expressways and Metro Structures by Er. Vinay Gupta, Chief Executive Officer, M/s. Tandon Consultants Pvt. Ltd., New Delhi
4. Special Concrete for Fast Track Construction with Case Studies by Dr. V. Ramachandra, Vice-President (S), ICI
5. Affordable Housing using RFRG Panels by Er. Shinto Paul, IITM
6. Construction of Multistoreyed Building using Precast Construction Technology by Er. K. Seenu, Head, Precast Initiatives B&F IC, Larsen and Toubro Ltd., Mumbai
7. Pre-Engineered Building Design and Concepts by Er. Vasudev Rao, GM, Head of Engineering, Zamil Steel Buildings India, Mumbai
8. Co-related Structural Components of PEB by Dr. L.S. Jayagobal, MD, Mithran Structure Pvt. Ltd., Coimbatore

#### **SPEAKERS**

Valedictory function was chaired by Er. Jayasankar, GC Member, ICI and he

distributed the Mementos and Certificates to the Students and EC Members of ICI-PUDC.

GC Meeting in Session

President with EC Members of Puducherry Centre

GC Members with EC Members of Puducherry Centre

Previous Day, ICI Puducherry Centre hosted the GC Meeting and all the Members were in

appreciation for the excellent arrangements made for the GC Meeting.

### Concrete Mix Design Training Programme:

Indian Concrete Institute in association with UltraTech Cement Ltd., is conducting a One-Day Training Programme on “Concrete Mix Design”, which is free for student chapter members.

## SIR M. VISVESVARAYA INSTITUTE OF TECHNOLOGY - BENGALURU

### Inauguration of ICI Students' Chapter:

The inauguration of ICI Students' Chapter was held on 23<sup>rd</sup> April 2015 at CSE Seminar hall, Sir MVIT, Bengaluru. The Chief Guest for the function was Dr. R. Nagendra, Chairman, ICI-Bengaluru Centre. The function started with welcome address by Dr. B.R. Karnure, Professor & Head, Department of Civil Engineering.

*Dignitaries on the Dias (L to R), Dr. B.R. Karnure, Dr. R. Nagendra, Dr. V. Ramachandra, Prof. H.P. Mahendra Babu*

*Welcome Address by Dr. B.R. Karnure*

Ms. Ramya N, Assistant Professor, Civil Dept., explained the activities of ICI Students Chapter. Mrs. Pradeepa, Asst Prof., introduced the Guest Speaker Dr. V. Ramachandra, Vice-President, UltraTech Cement Ltd.

*Lighting the lamp*

The Chief Guest Dr. R. Nagendra gave the inaugural address and encouraged the students to equip themselves with field knowledge and become ethical Civil Engineers in the future. The certificates of ICI Students Chapter were distributed to the student members.

Dr. V. Ramachandra presented UltraTech Endowment Guest Lecture On "Opportunities and Challenges in Civil Engineering". The positive & negative impacts of concrete technology on the environment, economy and society were explained with statistical illustrations. He also explained various modern types of concrete.

*Dr. V. Ramachandra presenting the cash prize & certificate*

Vibhav Sangwan and Mahesh Babu S., Students of 3<sup>rd</sup> year were awarded with certificates and cash prize for scoring highest marks in 4<sup>th</sup> Semester in Concrete Technology. The event ended with vote of thanks by Ms. Vaishnavi, Assistant Professor, Department of Civil Engineering.

**BMS INSTITUTE OF TECHNOLOGY - BENGALURU**

**National Conference:**

A One-day National Conference on “Sustainability & Advances in Concrete Technology SACT 2015” was organized by BMSIT, Department of Civil Engineering, Bengaluru, in association with ICI Bengaluru Centre on 25<sup>th</sup> April 2015. Six technical sessions on sustainable practices in concrete construction and technology were delivered by expert speakers from Industries and Academic field. Researchers, Industry Professionals, Students from different colleges in and around Bengaluru, participated in this event.

*Dr. Manamohan R Kalgal, Joint President & head, UltraTech Cement Limited*

*Dr. R. V. Ranganath, Principal, BMSIT & M, Bengaluru*

*Inauguration of SACT-2015 by the Dignitaries*

The topics of the sessions were Sustainable Construction, The Changing Paradigms in Modern Concrete, Innovative Construction Materials in Civil Engineering, GGBS as Construction Material, Precast Construction and Recent Developments in Indian Standards Relating to Concrete. In the feedback session, invited speakers, participants and students affirmed that SACT-2015 was a successful event.

*Dr. R Nagendra, Chairman, ICI-BENC*

*Er. L. R. Manjunatha, AGM-Marketing JSW Cements Limited, Bengaluru*

*Dr. V. Ramachandra, Vice President, Tech Services-South, UltraTech Cement Ltd*

*Dr. A N Vyasa Rao, Head-Projects, Structwel Designers & Consultants Ltd*

## SJB INSTITUTE OF TECHNOLOGY - BENGALURU

### Workshop:

The inauguration of the One-Day Workshop on “Design Aspects and Quality Control of Concrete Mix in RMC Plants” was held on 5<sup>th</sup> May 2015 at SJB Institute of Technology, Bengaluru under the auspicious of the ICI Students Chapter.

The programme was hosted by Abhinav M.B. and invocation song was rendered by Vibha N Rao, students of 8th Semester Civil Engineering, followed by lighting of lamp by the Chief Guest and Dignitaries.

Professor & Head, Prasad CSMV, Dept of Civil Engineering introduced the Chief Guest and Chairman of the programme. The Dignitaries on the dais were Dr.Ramachandra.V, Vice President-South, ICI, Er. Nagesh Puttaswamy, Regional Head-Tech Karnataka, UltraTech Cement Ltd., and Dr Puttaraju, Principal, SJB Institute of Technology. Dr Puttaraju, presided over the ceremony and

delivered his inspirational and motivational speech.

Er. Nagesh Puttaswamy spoke on “Principles of Mix Design.” It was an informative talk, covering the broad spectrum of concrete technology. He enlightened the gathering on the importance of mix design and its versatility.

Following this, Er. L.R. Manjunatha, AGM, JSW Cements Ltd, Bengaluru presented the practicalities in “Making of Ready Mix Concrete”. A cash prize and Certificate sponsored by UltraTech Cement Ltd., Bengaluru, given to the student who scored highest marks in Concrete Technology, was bagged by Anupama.J. 6<sup>th</sup> semester student.

Prof. R.L Ramesh of Civil Engineering Department concluded the programme by thanking all.

*Dignitaries lighting the lamp*

*Dignitaries on the Dais*

*Distribution of ICI Membership Certificates to students*

*Er. L.R. Manjunatha being greeted*

## SCMS SCHOOL OF ENGINEERING AND TECHNOLOGY - KOCHI

### Workshop on Concrete Mix Design:

ICI SSET students' chapter organised a workshop on Concrete Mix Design on 27<sup>th</sup> and 28<sup>th</sup> March 2015. The two-day intensive workshop conducted in collaboration with RMC Readymix (India) aimed at imparting knowledge on concrete materials, science and concrete mix design. Er. Shelly S. Fernandez and Er. Siddhesh R. Kamath of RMC Readymix India, were the resource persons. Mix Design procedure as per IS 10262-2009 was dealt with in detail, apart from various types of special concrete. Workshop Course Notes explaining in detail the various steps

and codal provisions to be followed in concrete mix design was distributed among the 110 participants. Day 2 of the workshop saw enthusiastic students divided into batches undergoing hands on experience in mix design, both, with and without the use of admixtures, followed by casting of cubes. Er. Hemanth Kumar Thankappan from India Cements and Ms. Manju from RMC Readymix along with Er. Shelly S. Fernandez and Er. Siddhesh R. Kamath helped the students through the task.

*Er. Shelly S Fernandez,  
delivering the presentation*

*Er. Hemanth Kumar Thankappan helping students  
with the mix design procedure*

## DEENBANDHU CHHOTU RAM UNIVERSITY OF SCIENCE AND TECHNOLOGY - MURTHAL

### ESTRUCTURA 2015:

ESTRUCTURA 2015 was organized by NIRMAAN, a Civil Engineering students society on 27<sup>th</sup> April 2015. Various activities like Concrete Quiz, Treasure Hunt, Make it Large, Conc. Canoe etc. were organized by Department of Civil Engineering. Students from various engineering colleges affiliated to university as well as from various other branches of science, also attended the event.

Inauguration was preceded by expert talk by Er. R.K. Jain for motivation especially, for final year Civil Engineering students who are going to enter the corporate world. He not only motivated the students, but also shared his experience in his life and various milestones achieved by him. After the inauguration, various activities like Quiz on basics of civil engineering, "Make it Large for the Tallest

Tower” made out of fixed number of bricks, Concrete Canoe, in which boats of reinforced concrete were checked for capacity in the water, Tower made from deck of cards, Paper presentation etc., were organized. This Techfest enabled interaction between civil engineering students from different colleges and display their creativity through various activities. The Techfest concluded with Prize distribution for the Students and Mementos for Judges.

**NSN COLLEGE OF ENGINEERING & TECHNOLOGY - KARUR**

**1. Site Visit :**

In order to give industrial exposure to the students, a site visit was arranged by NSNCET-ICI Students Chapter on 08<sup>th</sup> June 2015. Final year Civil Engineering students visited one of the construction site of Advaitaa Homes India Pvt Ltd., at Coimbatore. “Orange Blossom” is the project inspired by a perfect blend of aesthetics, architecture compliant home, having an estate consisting of farm and residential buildings arranged around a courtyard. It comprises of 11 individual villas and 16 two bedroom apartments, which are exquisitely crafted to perfection.

The Chief Executive Engineer from Advaitaa groups guided the students during their visit. Students were explained with Floor Space Index (FSI), Approval of plan, Site planning, Estimation orientation, Building approval, Interior design, Road formation etc., which are the several stages of the project.

**2. Site Visit :**

Local visit was arranged by NSNCET-ICI Students Chapter on 18<sup>th</sup> June 2015 to get practical exposure to bridge construction. Students from third year Civil Engineering visited the ongoing construction of bridge across the Amaravathi River in Pasupathipalayam near Karur. During their visit, they were explained about construction

of retaining walls and process of laying Ready Mix Concrete, especially, the pumping process. The concept of different types of special bridges like Cable-stayed, Suspension, Arch, Plate girder were explained to the students. Design Concept involved in bridge design were explained to the students.

### 3. FACE Training Programme:

ICI Students Chapter of N.S.N. College of Engineering and Technology launched a new programme NSN-FACE (Finishing Academy for Civil Engineers) in the department of Civil Engineering from 10<sup>th</sup> June 2015 to 19<sup>th</sup> June 2015. FACE aims at producing fresh Talents,

giving field exposure to students, to know the latest technology and practices, making the students employable, to deliver from day one of their employment. Students were trained on various activities like Surveying, Marking, Shuttering and Form Work, Site Selection etc

### 4. Site Visit :

ICI Students Chapter of NSNCET arranged a local site visit for pre final year students on 17<sup>th</sup> June 2015. Trainer Mr.P.Mohan from Reliable Engineers & Associates guided the students during the visit. The students visited the construction

site of KSV School hostel building at Thulasikodumbu near Karur. During the visit, students got practical exposure to Form work, Curing of Concrete, Anti Termite Treatment (ATT), Centering Work and to Construction Chemicals used in the construction.

## SONA COLLEGE OF TECHNOLOGY, SALEM

### 1. Guest Lecture:

Department of Civil Engineering & ICI Students Chapter of Sona College of Technology, Salem organized a guest lecture on the topic “Application of Civil Engineering in Defense & Employment opportunities” by Col. Jacob G Podipora, Associate Professor, Coimbatore Institute of Technology, on 21<sup>st</sup> February 2015. Ms.V.Chandrikka gave welcome address. The First session focused

on the topic “Application of Civil Engineering in Defense”. In that session, he explained the defects in construction and structures and their failures. He also explained the types of foundations and their failures. In the second session, distribution of ICI membership certificates took place, followed by the introduction of Office Bearers. In the third session, the Chief Guest discussed the

Employment Opportunities in Army, Defense & Air forces. He also discussed about pursuing Higher education, preparation for GATE and the opportunities for Civil Engineers in the Society. The Chief Guest was honoured by Dr.R.Malathy, Dean R&D. The session concluded with vote of thanks by Mr.G.Lokashwaran.

## 2. National Conference:

National Conference on Innovations in concrete and construction was organized by Sona College of Technology in association with Institution of Engineers, Indian Concrete Institute and Indian Society for Technical Education, on 29<sup>th</sup> April 2015 and was sponsored by UltraTech Cement Ltd. Dr. S. P. Subramanian, Asst. Controller of Patents and Designs Patent Office, Chennai was the Chief Guest. He shared his knowledge and advised students to come forward to file Patents. Keynote speaker was Dr. M.R. Kalgal, Technical Head, UltraTech Cement Ltd. He gave an elaborate lecture on "Concrete for Today and Tomorrow". The convener of the conference Dr R.Malathy, Dean (R&D) talked about smart buildings, which are smart enough to caution the owners about the emergency, Eco friendly buildings and Energy Efficient Buildings. MoU was signed between UltraTech Cement Ltd and

Sona college of Technology in Presence of Dr.C.V.Koushik, Director Academics and Mr.N.Balachandran Nair, VP Marketing, UltraTech Cement Ltd. Conference souvenir was released by Dr. S. P. Subramanian and Newsletter Sonacrea by Dr. M.R. Kalgal.

50 papers were presented by Academicians, Industrialists, Researchers, Practicing Engineers from PWD and Highway Departments on the following topics, Self Compacting Concrete, Bacterial Concrete, Self-healing Concrete, Self-cleaning Concrete, self-curing Concrete, Bendable Concrete, Textile Concrete, Pervious Concrete, Effective utilization of Industrial Wastes in Concrete, Recycled Aggregates, Cost Effective Constructions, Transport Systems and Effective Construction Management. The selected papers were published in Integrated Journal of Engineering research and Technology (IJERT).

## 3. HERE Map Creator Community Programme:

Department of Civil Engineering & ICI Students Chapter of Sona College of Technology, Salem organized HERE Map Creator Community Programme on 11<sup>th</sup> April

2015. Mr.Dharmaraj Ammayappan, cartographic analyst, explained the place for students in HERE map creation. HERE is a leader in navigation, mapping and location

expertise. It builds high-definition (HD) maps and combines them with cloud technology to navigate a complex world with personalized solutions at anytime, everywhere, across a broad range of devices, operating systems and vehicles. In fast-growing countries like India, so diversely urbanized and cluttered, even a large, dedicated team of cartographers

struggle to cope with all the changes. The students learnt how cartography works and provide highly relevant and useful edits. They were also part of a map moderation system to verify edits before integrating them into the base map. More than 50 students participated and utilized the programme.

## K. S. RANGASAMY COLLEGE OF TECHNOLOGY, TIRUCHENGODE

### Site Visit :

Site visit was organized by ICI Students Chapter of Department of Civil Engineering, K.S.Rangasamy College of Technology, Tiruchengode on 4<sup>th</sup> July 2015 to Ready Mix Concrete Plant in K.S.R.Kalvi Nagar, Tiruchengode, under the guidance of Dr.N.Ramesh, Professor, Civil Department. 72 ICI Students got benefited out of this site visit by understanding the intricacies involved in making RMC.

## NANDHA ENGINEERING COLLEGE - ERODE

### 1. Site Visit :

The ICI Students' Chapter and Department of Civil Engineering of Nandha Engineering College (ICI-NEC) had arranged site visit to Upper Aliyar Dam, Pollachi on 10<sup>th</sup> April 2015. The Aliyar Dam is located about 28

kms from Pollachi. The Assistant Engineer explained the construction history and particulars of dam. The students were enlightened with the design aspects & construction of dam.

### 2. Memorandum of Understanding:

The ICI Students Chapter of Nandha Engineering College signed a Memorandum of Understanding with CADD Centre on 14<sup>th</sup> March 2015. Mr.S.Dharmaraj, Centre Head, CADD Centre, Perundurai and

Dr.N.Rengarajan, Principal, NEC signed the MoU. Similar, Memorandum of Understanding was signed with Mecton Training & Technical Services Pvt. Ltd (MTTS) on 25<sup>th</sup> March 2015. Mr. Y. Syed Ibrahim,

Managing Director, Mr. J. Dhanasekar, General Manager & Mr. S.Udayakumar, Territory Manager shared their experience with the students.

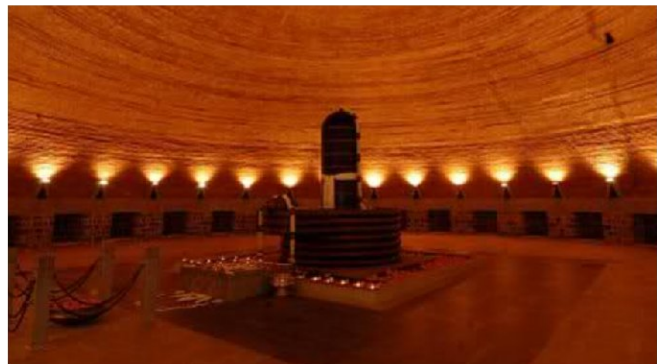

The purpose of this MoU was to give exposure to students on the current trends in Civil Engineering field. The course will be highly beneficial to those who would choose Design as their career.

### 3. Site Visit :

The ICI Students' Chapter of Nandha Engineering College (ICI-NEC) had arranged site visit to Construction of Isha Yoga Center, which is situated at Velliangiri Mountains, on 10<sup>th</sup> April 2015. The objective of the visit was to acquire knowledge on construction techniques. At a centre a large ellipsoidal dome covers the sanctum sanctorum. The dome is designed and constructed by architect, Mr. Satprem Maini and the Auroville Earth Institute, using Country Fired Bricks

and Cement Stabilized Mud Mortar, without Steel or Concrete. The dome is 76 ft (23.2 m) in diameter and 33 ft (10.1 m) in height. The Center houses the architecturally distinctive Spanda Hall and a 64,000 sq.ft. Meditation Hall. Faculty Members explained in detail about the unique masonry work. The visit gave broad practical knowledge about the construction and also various techniques of construction in Civil Engineering.

### 4. Workshop :

The ICI Students' Chapter of Nandha Engineering College structured a Workshop on "ANSYS" in association with Think CAD, Perundurai on 29<sup>th</sup> January 2015. Mr. S. Sampath and Mr. T. Gowri Shankar, Trainers from Think CAD offered training classes for 3rd Year and Final Year Civil Engineering students. Mr. T. Gowri Shankar spoke on various CAD Courses available for

Civil Engineers. In addition he explained the difference between drafting, drawing and designing with an example. Then he showed the planning, 3-D view, 2-D view and also enabled the students to understand the purpose of the course. Then they explained about the ANSYS course and how the software is useful in analysis and design of the structures.

### 5. Workshop on RIVET:

The ICI Students' Chapter of Nandha Engineering College organized a Workshop on "RIVET" in association with Prowis Tech, Erode on 12<sup>th</sup> March 2015. Mr. S. Gurusamy, Trainer from Prowis Tech offered training for 3rd Year Civil Engineering students. He interacted with the students and spoke on various opportunities in Rivet for a Civil Engineers. He also explained the applications

of Rivet, in designing interior, exterior elevation.

### 6. Guest Lecture :

A Guest Lecture on 'Perpetual Darkness' on behalf of the Civil Engineering Association and ICI Student's Chapter was organized on 08<sup>th</sup> July 2015 by Dr. S. Senthil Kumar, Professor, K.S.R College Of Engineering, Tiruchengode.

He explained the Surveying Techniques of Marine Engineering and its types, based on Nature of Field, Object of Survey, Method Employed and Instruments used. His speech on the application oriented study attracted the students. He advised the students to apply their knowledge practically and shared his experiences on the research activities.

He explained about the Trieste to find the maximum depth of the ocean by deep divers

who recorded the first deep journey under the ocean. He encouraged the students to participate in various research projects and technical activities.

His encouragement through his innovative presentation made the students think about their future course of action. It was an eye - opener for the students of Civil Engineering Department.

## M. KUMARASAMY COLLEGE OF ENGINEERING - KARUR

### ICI Students Chapter Inauguration:

ICI Students Chapter was inaugurated on 22<sup>nd</sup> July 2015 in the college premises. Er.K.Jayasankar, Asst. Vice-President, Technical Services, UltraTech Cement Ltd.,

Er.R.Radhakrishnan, Secretary General, ICI, Er.K.Venkataraman Asst. General Manager, Technical services, UltraTech Cement Ltd., Mr.K.Easwaran, Senior Manager, Marketing,

UltraTech Cements Ltd., graced the inaugural function as Guests. Inaugural function was presided over by Dr. V. Kavitha, Principal. In her presidential address, she stressed the importance of Industry - Institute interaction for the betterment of students. Er.R.Radhakrishnan explained the importance and functions of ICI and also advised the students to make use of ICI to enhance their employability.

Er.K.Jayasankar delivered a Technical lecture on the topic "Durable concrete". He stressed on the importance of making the concrete a durable one. 186 ICI Members actively took part in the ICI Inaugural function. M.Dinesh - IV year (Chairman),S.Aashiq Ilahi - III Year(Vice chairman), J.Megala - III Year

(Secretary),C.Naveen kumar - III Year (Vice secretary),S.DhivyaPrabha - III Year (Treasurer) along with 10 Executive members were sworn in as office bearers of ICI students chapter. Function was organised by Prof P.Mahadevan HOD/Civil and Prof K.Arumugam.

Er. R. Radhakrishnan lighting the Kuthuvilaku

Dr.V.Kavitha delivering Presidential Address

Er. R. Radhakrishnan during his speech

Chief Guests Releasing Civil Department Newsletter

**SRM UNIVERSITY, RAMAPURAM CAMPUS**

**1. Concrete Mix Design Workshop:**

The students of SRM University, Ramapuram took part in training on Concrete Mix Design on 24<sup>th</sup> July 2015. It was organised by ICI Student's chapter of SRM University under initiative of UltraTech Cement Ltd. The

objective of workshop was to train the students in concrete mix design. The Chief Guests for inauguration of workshop were Er. K. Jayasankar, Asst. Vice President, Technical Services, UltraTech Cement,

Dr. K. P. Jaya, Chair Person, ICI Chennai Centre, Mr. Balachandran Nair, Asst. Vice President (Marketing), UltraTech Cement and Mr. Venkat Raman, Trainer for workshop, Dr. V. Subbhai Bharathi, Dean, SRM University Ramapuram, Dr. L. Antony Michael Raj, Vice Principal (Academics) and Dr.T. Ch. Madhavi, HoD Civil Engineering, graced the occasion by their presence.

Dignitaries were honoured by Bouquet and Memento. Inaugural Ceremony concluded with the vote of thanks by Asst. Professor, Mr. Sundarrajan.

After a Tea break, there was introductory talk by Mr. Balachandran Nair, Assistant Vice President (Marketing), UltraTech Cement Ltd., on 'Need on Concrete Mix Design'. After the introductory keynote session, Trainer for the workshop Mr. Venkat Raman started the workshop on Concrete Mix Design. All the participants were responsive and evinced interest in the session. Participants were provided with worksheets and hand-outs on Mix Design. The afternoon session resumed in Concrete Laboratory for Hands-on experience of the designed concrete in

worksheets to be casted practically with all the care and tips and trends gained. In Laboratory, participants were explained how casting of concrete is done in the field.

A concrete cube of Strength 40 MPa (M40) was cast, in which all students participated in all steps of casting from weighing of raw materials to casting cubes. The designed concrete was successful in slump test of 100mm (as per design). Then students shared their experience in mix design. Workshop concluded with certificate distribution to the participants.

## 2. Guest Lecture :

ICI Students Chapter of SRM University Ramapuram organized a guest lecture on 13<sup>th</sup> July 2015 on Planning, Strategizing and Execution of Mega Projects. The Chief Guest, Mr. V. Satyanarayana, senior DGM, Planning and Coordination, L&T Construction, Chennai, delivered the lecture. This occasion was also graced by Vice Principal (Academics), Dr. Anthony Michael Raj and HOD of Civil Department, Dr. T. Ch. Madhavi. The Chief Guest explained briefly about the construction project taken up by L&T all over Indian. Major building projects like the TCS building in Chennai, JIPMER in Puducherry, and Cyber Tower in Hyderabad were few of the building structure discussed in the session.

The next discussion was on the construction aspects of the Statue of Unity, which is the statue of Sardar Vallabhbhai Patel, to a height of about 245 m. A video explaining the overview of the project was shown. The challenges faced and how the problems were addressed was explained by the speaker in a very interesting way. The video presentation on the same inspired the audience to take up such challenging jobs.

## IIT MADRAS - CHENNAI

### Concrete Canoe Competition:

India's first Concrete Canoe Competition organised by Indian Concrete Institute (ICI) and the Civil Engineering Association (CEA) at IIT Madras was held between 21-23, Aug'2015. 19 civil engineering student teams from six states have been working on designing and fabricating concrete canoes in their own campus. These canoes were brought (via road or rail) to IIT Madras campus and rowed in the 80m long towing tank in the Department of Civil Engineering, IIT Madras. SRM University, Kattankulathur, Chennai, Tamil Nadu bagged the First Prize. The Second Prize was bagged by the Nirma University, Ahmedabad, Gujarat. The Third Prize was shared by two teams from RMK Engineering College, Thiruvallur, Tamil Nadu.

It was a nine month long project on making a 3 metre, long 2-seater concrete canoe involving various aspects such as structural design, stability designs, light-weight concrete design, aesthetic design, sustainable approaches,

project management, etc. Students had to adapt the engineering principles they had picked up in the classroom and convert them for practical implementation. The concrete canoe race challenged their engineering skills, creativity, personnel management skills, group performance, and stamina while showcasing the versatility of concrete as a building material. Students had to adapt the engineering principles they had picked up in the classroom and convert them for practical application.

35 teams participated in the 1st Round with structural and stability design aspects. Among the 19 teams, who participated in the 2nd Round, 10 teams were selected for the final round. In the 2nd and final rounds, each team had chances to race/row in three laps with boy-boy, girl-girl, and boy-girl teams; was judged by IIT Madras faculty specialized in various aspects. There are three races involving boy and girl teams, where we will be

judged on seven parameters. Also, exhibition of canoes, academic/industrial lectures etc. were conducted as part of the event. The sponsors included various chemical admixture manufacturers, precast concrete manufacturers, cement companies, structural and project management consultants, and material testing laboratories associated with the Indian concrete construction industry.

## OBITUARY

**Er. Uttam Nangre Patil**

*After obtaining degree in B.E. (Civil), Er. Nangre-Patil worked in different construction companies at various levels before joining as Vice-President in Paranjape Group of Companies. His varied experience over 50 years helped him to build Paranjape Group a well-known name in the construction industry. He was the Chairman of ICI Pune Centre and his contributions to ICI is laudable. He will be fondly remembered forever by the members of ICI.*

**Er. Chandar Roopchand Alimchandani**

*Er. Chandar Roopchand Alimchandani, member of ICI passed away on 18th July 2015.*

*Er. Alimchandani was known most for his Creative and Ingenious Engineering as well as his perceptive Managerial and organizational Skills.*

*He was known to the International Fraternity of Structural Engineers for his Innovative Projects in Civil Infrastructure. He has worked for many Countries all over the World.*

*He was known as perceptive Businessman and known to most people as the founder of his well known Civil Engineering Consultancy organization, STUP. He is also remembered for his many outstanding Infrastructural Projects in Civil Engineering.*

*He evinced interest in equipment designs for erection and formwork of concrete.*

*ICI fondly remembers him and condoles his demise, praying the almighty for his soul to rest in peace.*
